

# Homecoming 2020

*By Madison Lackey*

Due to COVID-19 related reasons, the Homecoming festivities this year were different than usual.

There will be no dance during the Fall.

“We are hoping to have a winter homecoming since COVID regulations are not allowing us to have a dance in the Fall,” Student Council President Aubrey Anderson said. “So, we are planning on one in the Winter, assuming things get better with COVID.”

Other than the dance, things planned to run as they usually do.

“For what we could do in preparation, I felt pretty good about it,” Anderson said. “We were pretty good on timing with everything. I do not feel like we were behind or rushing anything. This year with no dance, we just did the basics of getting the candidates, crowns, some flowers, and the football signed by all the football boys.”

*Homecoming candidates stand together at the ceremony. From left to right: Alan Anderson, Karlie Boeken, Homecoming king Caleb Brownlee and queen Aubrey Anderson, Tyus Wilson, and Kayla Morris.*

Even though things were different this year, students are still trying to look on the bright side.

“I know that cheer missed out on a lot of stuff,” Sophomore cheerleader Kelsey Webb said. “We did not get to do half the stuff we normally do. We didn’t get to do any games at the pep rally and that is kind of sad. It is good that we got to have the football game though, that is a big deal.”

The Homecoming ceremony was held Oct. 2 at 6:40 p.m. at Smisor Stadium with the game following shortly after.
